Feb 26
 a very cold upper low (-3 500 mb) is moving SE today from near SFO to near B. Modifying and
 Afternoon convection after of morning sunshine. Snow about 1500 feet. May be grass with graupel, hail snow mixed with rain. No Aft line from Ojai to San near sunset from N of T to Simi then wkag. Another afternoon line of Sh Oaks to Aradia. Plenty of hail in BUR. I observed snow along San Canyon Rd N of Moorpark.
